

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Mission Possible Lesson 2

THIS WEEK'S LESSON: INCREDIBLE SKILLS

IN THE CAR:

Ask your child what they learned about this week on the drive home:

Some spies have very special skills that allow them to do seemingly impossible things. Paul also did quite a few impossible things, but it wasn't because of his skills, it was by the power of God. When Paul healed a man with crippled feet, the people thought Paul was some sort of god. But Paul set the people straight: it was only through the power of Jesus that Paul was able to do any of the incredible things that he did. Acts 14:8-20, Paul Heals A Crippled Man

HANGING OUT:

Make this week's lesson real:

What talents do your kids have? Take some time to encourage them in their special gifts this week, and ask them how those gifts can be used to serve God.

AT DINNER:

Here are some great discussion starters:

- What happened when Paul healed a crippled man?
- What did Paul say was the reason why he was able to heal the disabled man?
- What does God want us to do with the special gifts He has given us?

AT BEDTIME:

Quiz your child on this week's memory verse:

"All things are possible with God." Mark 10:27b (NirV)

PARENT TIME:

What you need to know:

God gives us all spiritual gifts and talents that we can use to serve Him. It's a misuse of those gifts to bring glory only to ourselves. Encourage your kids to give thanks and praise to God as they explore and exercise the gifts God gave them.
