

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Bubbles Lesson 2

THIS WEEK'S LESSON: BUBBLES IN THE AIR

DRIVING:

Ask your child what they learned about this week on the drive home: Sing songs about God's love. Look at the people you pass as you drive along. Talk about how God loves each of them and we should strive to love them too. Say a quick prayer for each person.

PLAYING:

Make this week's lesson real: Reenact the story of the paralyzed man from Luke 5. Build a house out of Legos or other building blocks. Have fun taking apart your creation when you get to the place where the men tore a hole in the roof of the house. Talk about the love – both from the friends and from Jesus – displayed in the story.

EATING:

During your mealtime prayer, thank God for loving you and for the many ways he has shown that love to you and your family.

SNUGGLING:

Snuggle up together and read the memory verse together: "So we know that God loves us. We depend on it. God is love." 1 John 4:16a. Talk about how God loves us. That love never changes; whether we are up or down, feeling happy or sad, whether we've done bad things or are on our best behavior.
